TIME OFF & PLANNING NOTES

Long weekends

Listed days can include closure periods, not just a festival's observance date. Follow the holiday links for the reviewed date roles. Estimated dates may change.

Assumed weekend: **Saturday and Sunday**, plus the listed public holidays. This is a planning assumption, not a universal legal workweek. Employer schedules may differ. Jurisdictions are calculated independently. Local, sector-only and part-day entries are excluded.

BREAK	HOLIDAY / PLANNING STATUS
-------	---------------------------

No break of three or more consecutive days is available under this assumption.

Check before booking

Bank, office and school coverage is incomplete; an unmarked institution is not necessarily open. Optional-holiday coverage has not been established. Confirm the applicable notice and your employer's schedule before arranging leave.

Official sources and date status

Recorded confirmation and independent source review are shown separately. An institution-specific notice does not establish closure for every employer or school.

Unconfirmed planning estimate retained from existing data. The 2028 authoritative date and closure schedule have not been verified in this review; do not treat it as an announced gazetted holiday.

This planner preserves the calendar's recorded statuses. Historical context and institution-specific evidence do not independently confirm every public-holiday date. A checked date below a source is the evidence review date, not a new verification performed when downloading.
