Government Decree 1187: official 2027 holiday and working-weekend arrangement

Confirmed · Scope: working_days · Checked 2026-10-01

The shared planner assumes regular weekends and cannot subtract designated working weekends. Saturday 20 February 2027 is a WORKING DAY, not a holiday; the official February break is 21–23 February, not 20–23 February. Planner breaks are illustrative. ICS lists holidays and supported days off but does not encode working-day overrides. PDF source notes include this warning.
